

The Weekly Eagle-3/4/2016

Principal/Office News:

Eastlawn Parents,

There are some simple protocols that have been in place at Eastlawn to ensure safety for our children. I want to be sure that all of our parents, grandparents and friends who help pick up or drop off our Eastlawn students, know these protocols. These are some of the most basic, yet most effective, safety procedures we can implement in our building.

As a reminder...

1. Always sign in at the sign in table in the front main entrance hallway.
2. When picking up your child from a class, always stop in the office first. We will call your child down to the office. Do not go directly to the classroom.
3. When dropping off your child after the bell rings, bring them to the office first.
4. Please share this with anyone that picks up or drops off your child.
5. At the end of the day, please wait outside for your child and wait for the child to exit the building.

Thank you for your assistance in helping to ensure a safe environment for our Eastlawn students.

Shannon Blasy
